SIGINT 10.9/585
(768th Meeting)
6 December 1985

DCI Guidance for the National SIGINT Reconnaissance Program, FY 88-87 (S/TK)

The SORS Chairman then reviewed the proposed changes to the DCI 10-year guidance. He stated that he had accommodated all suggested major revisions and was still working some of the minor changes with the representative organizations. It was also suggested that be more general. The SORS Chairman said that he agreed and that the rationale supporting it would be re-worked in the next iteration of the Guidance. The SIGINT Committee members agreed that they would concur in the draft Guidance with no further changes or additions, as long as previous concerns had been accommodated. (TS/TK)

SIGINT 5./511
(768th Meeting)
6 December 1986

Chairman's Remarks (U)

The Chairman presented a brief recap of the Joint Maritime Information Element (JMIE) and attendant activities. He said it was not clear what the SIGINT role in JMIE is or should be, and suggested that the Committee receive a briefing on the activities in the near future. The briefing will be scheduled at a later session. (C)

25X1

He announced that he was close to making a selection for Vice Chairman and expected that the new Vice Chairman would report for duty after the first of the year. He said that the selection had been made from among a group of excellent nominations. (U)
